

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ROBERT R. STOPPEL,

Defendant.

4:14CR3119

ORDER

The defendant may be participating in pretrial diversion. The parties therefore move to continue the progression and trial of this case. (Filing No. 15). Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

- 1) The parties' oral motion to continue, (filing no. 15), is granted, and the trial of this case, previously scheduled for February 9, 2015, is continued pending further order of the court.
- 2) For the reasons set forth in the motion, the court finds the ends of justice served by granting the parties' request to continue progression and trial of this case outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and the completion of this matter, shall be deemed excluded in any computation of time under the requirements of the Speedy Trial Act. 18 U.S.C. § 3161(h)(7).
- 3) A status conference will be held before the undersigned magistrate judge on February 27, 2015 at 9:30 a.m.. Unless the court later orders otherwise, the defendant may, but need not attend the status conference. If the defendant attends, the status conference will be held in Courtroom 2, Federal Building, 100 Centennial Mall North, Lincoln, Nebraska. If the defendant does not attend, the status conference will be held in chambers.

January 22, 2015

BY THE COURT:

s/ Cheryl R. Zwart
United States Magistrate Judge
